Subj: RECOMMENDATION FOR ADMINISTRATIVE DISCHARGE OF LANCE CORPORAL
TYLER J. MONSON 1551607263/3381 USMC
Ref: (a) MCO 1900.16 CH2 (MARCORSEPMAN)

1. I recommend that Tyler J. Monson be separated from the USMC with a General (under Honorable conditions) characterization of service.

2. I have carefully reviewed the respondent's Separation History and Physical Examination (SHPE) and Medical Evaluation Board (MEB) report addressing the basis for separation. The respondent's medical condition(s) interferes with their performance of duty, is not a ratable disability, and they have no potential for future military service.

3. I recommend that Lance Corporal Monson be separated from the Marine Corps by reason of condition not a disability. Based on evaluation and recommendation of the OSCAR, SNM has been [REDACTED]. SNM's condition has resulted in both suicidal and homicidal ideations and these conditions are not expected to improved with prolonged service. SNM is recommended to be separated from the Marine Corps with a general (under honorable) characterization of service.
